This plan presents preliminary proposals for materials, measurements, and design. Please note that these proposals are subject to possible changes.

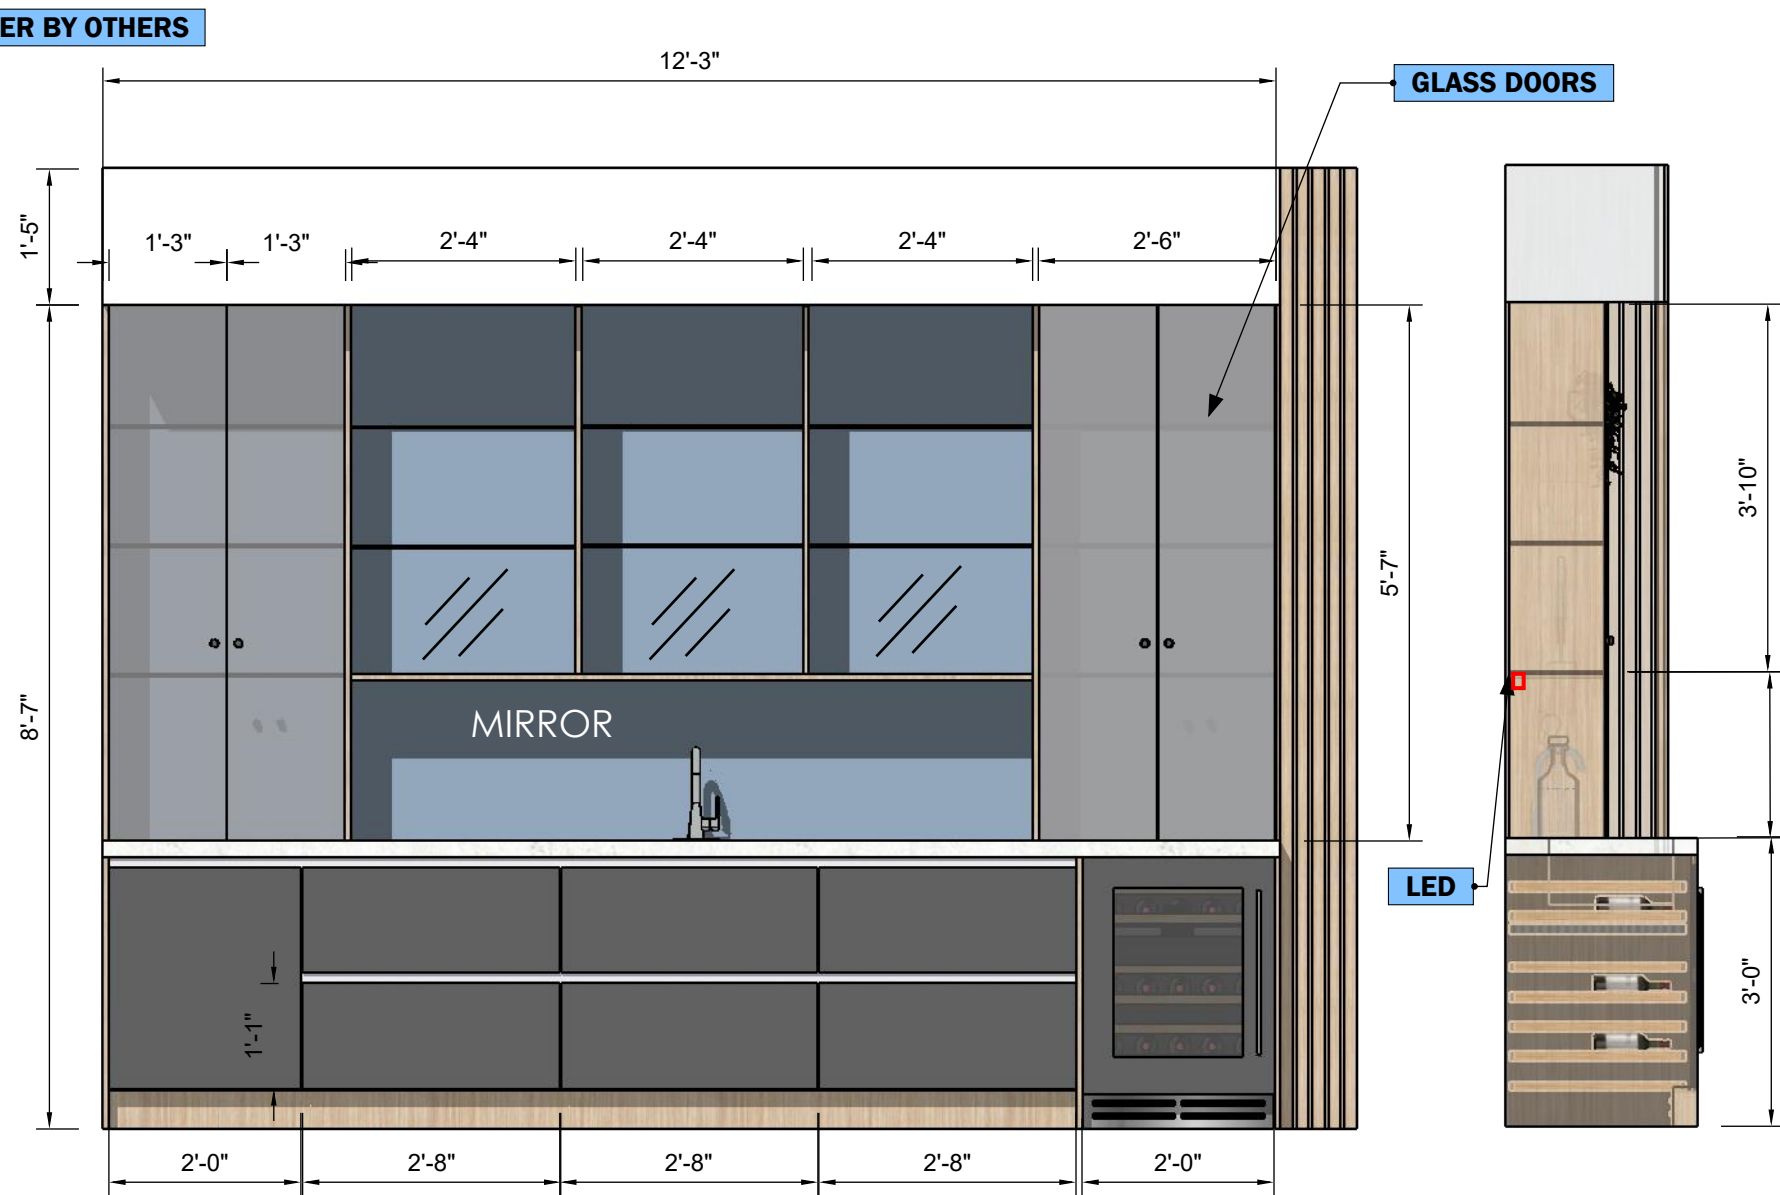

**Materials:** Proposed materials are subject to evaluation and final selection.

**Measurements:** Indicated measurements are approximate and may be adjusted during the design and construction process.

**Design:** The presented design is an initial proposal and may undergo modifications.

**Approvals and revisions:** Any changes to materials, measurements, or design require appropriate approval.

This plan does not represent the final version of the project, and adjustments will be made to ensure quality and goal fulfillment.
